Boilerplate Changes from FY 2018-19 Year-to-Date:

Items Included by the Senate and House

1. **Quarterly Reporting to Legislature.** Governor, Senate, and House revised department reporting requirement regarding metrics, finances, from quarterly to a twice-a-year. (Sec. 217)
2. **School Safety Report.** House and Senate included language requiring the department (Office of School Safety) to submit a report detailing school safety grants, incidents of school violence or threats, OK2SAY-based incidents and activities, and recommendations for school safety measures. Executive deletes. (Sec.407)
3. **School Safety Grants.** Governor, Senate and House eliminated Sec. 701 from PA 618 of 2018, which provided guidelines for the appropriation of \$25.0 million GF/GP in school safety grants for FY 2018-19. (Sec. 701 of PA 618 of 2018)
4. **Budget Year Two - General Guidelines.** Governor eliminated Sec. 1001. Senate and House retained section. (Sec. 1001)

Conference Agreement on Items of Difference

5. **Contingency Funds Transfers.** Senate eliminated language allowing for special legislative contingency fund transfers for non-specifically appropriated federal, restricted, local, and private funds. House retained language. Conference included provision for the transfers, and allowed for limits of \$2.0 million for federal, \$4.0 million for restricted, and none for local or private funds. (Sec. 210)
6. **Authorization to Expend Private Donations.** House revised language to allow for the donation of nonmonetary gifts, as well as monetary gifts. Conference concurs. (Sec. 224)
7. **Protection of Personal Data.** Senate included new language that states that it is the intent of the Legislature that the Department take all steps necessary to protect the data and privacy of citizens who are not the focus of an investigation. House did not include. Conference concurred with Senate. (Sec. 226)
8. **Attrition School Intent.** House included language that stipulates legislative intent that the department shall utilize attrition savings to conduct an attrition school in FY 2019-20 that will graduate at least 70 new troopers. Senate did not include. Conference concurred with House. (Sec.227)
9. **Ticket Quotas.** Senate includes language prohibiting ticket quotas for infractions of the vehicle code. House did not include. (Sec. 228)
10. **Capitol Complex Security.** Governor, Senate, and House eliminated Sec. 301 and moved language which outlined security services at the Capitol and other buildings to Sec. 702. (Sec. 301)
11. **Grants and Community Service Programs.** Governor and Senate updated responsibilities for the program, removed a reference to oversight and administration of 9-1-1 operations statewide and adding administration of school safety grants. Senate added references to the Office of School Safety. House also revised. Conference concurred with House. (Sec. 406)
12. **Local Public Safety Grants.** House added section (Sec. 408) requiring the department to use funds appropriated for local public safety grants to establish a competitive grant program for the purchase of equipment to enhance public safety operations. Conference did not include.
13. **Field Services.** Governor, Senate, and House removed a traffic patrol metric requiring a minimum of 2,000 hours of patrol be committed to Belle Isle. Governor and Senate also added a requirement that staffing and resources be maintained to annually conduct 6,800 residence checks of registered sex offenders. House changed resident check mandate to 7,000. Conference concurred with House. (Sec. 601)
14. **Specialized Services.** Governor and Senate removed a requirement that a study of drone laws be made and added language from Sec. 301, outlining the duties and metrics of Capitol complex security operations. House did not delete language requiring a drone study. Conference concurred with Senate. (Sec. 702)
15. **Commercial Vehicle Enforcement Division.** Conference added language to require the department to create from IDGs, intradepartmental transfers, and federal funds for commercial vehicle enforcement, a commercial vehicle enforcement operations reserve fund. Funds would be required to be expended from the commercial vehicle enforcement operations reserve fund only after the department of state police commercial vehicle enforcement division provides sufficient evidence to the senate and house appropriations subcommittees on state police on the need for these funds for commercial vehicle enforcement operations. Upon providing the evidence, the state budget director would be then required to issue a legislative transfer of the funds from the commercial vehicle enforcement operations reserve fund for the funding of commercial vehicle enforcement line items. (Sec. 704 (4))
16. **Emergency Management.** Governor and Senate removed a requirement of a quarterly report on the status of infrastructure vulnerabilities in the State. The Senate removed all language allowing the department to automatically receive and expend funds, thus requiring it to engage either in the transfer or supplemental appropriations process to receive and expend new funds. House did not concur. Conference concurred with House. (Sec. 704)
17. **Secondary Road Patrol Grants Program.** Senate replaced FY 2018-19 Sec. 706 language which described program and required the department to report on the number of full-time deputies funded under the program and the number of hours patrolled, with an annual goal of 178,000 hours, with new language requiring a report on various traffic infractions and assessments. House offered a revised version. Conference combined language used by both houses. (Sec. 706)
18. **Sexual Assault Prevention and Education Initiative.** Conference added language outlining the goals and grant procedures for the Sexual Assault Prevention and Education Initiative. (Sec. 801)
