2. **Michigan Merit Exam.** Governor removed language allowing the scores for the statewide assessment and the graduation rate for consortium pupils to be included with the scores for the school building in the participating district in which the consortium pupil is enrolled or would otherwise attend. Conference retained current law. (Sec. 104b)

5. **Hardship and Audits.** Governor reduced the timeframe by which overpayments can be repaid, from nine years to four years, and extended the period by three years for which the department may conduct audits.
