19 (7) **A preadmission screening unit may operate a crisis**
20 **stabilization unit under chapter 9A. A preadmission screening unit**
21 **may provide crisis services to an individual, who by assessment and**
22 **screening, is found to be a person requiring treatment. Crisis**
23 **services at a crisis stabilization unit must entail an initial**
24 **psychosocial assessment by a master's level mental health**
25 **professional and a psychiatric evaluation within 24 hours to**
26 **stabilize the individual. In this event, crisis services may be**
27 **provided for a period of up to 72 hours, after which the individual**
28 **must be provided with the clinically appropriate level of care,**
29 **resulting in 1 of the following:**

- 1 (a) The individual is no longer a person requiring treatment.
2 (b) A referral to outpatient services for aftercare treatment.
3 (c) A referral to a partial hospitalization program.
4 (d) A referral to a residential treatment center, including
5 crisis residential services.
6 (e) A referral to an inpatient bed.
7 (f) An order for involuntary treatment of the individual has
8 been issued under section 281b, 281c, former 433, or 434.
9 (8) A preadmission screening unit operating a crisis
10 stabilization unit under chapter 9A may also offer crisis services
11 to an individual who is not a person requiring treatment, but who
12 is seeking crisis services on a voluntary basis.

13 (9) ~~(7)~~—If the individual chooses a hospital not under
14 contract with a community mental health services program, and the
15 hospital agrees to the admission, the preadmission screening unit
16 shall refer the individual to the hospital that is requested by the
17 individual. Any financial obligation for the services provided by
18 the hospital shall be satisfied from funding sources other than the
19 community mental health services program, the department, or other
20 state or county funding.

21 Sec. 439. **(1)** A cause of action ~~shall~~**is** not ~~be~~ cognizable ~~in~~
22 ~~a court of this state~~ against a person who in good faith files a

26 wanton misconduct.

27 **(2)** A cause of action is not cognizable against a preadmission
28 screening unit or its employees or contractors or a crisis
29 stabilization unit or its employees or contractors, who in good

1 faith makes a determination as to whether an individual is a person
2 requiring treatment or not, unless the determination is the result
3 of an act or omission amounting to gross negligence or willful and
4 wanton misconduct.

5 Chapter 9A

6 CRISIS STABILIZATION UNITS

7 Sec. 971. (1) The department shall provide for certification
8 of crisis stabilization units under this chapter to provide crisis
9 services in a community-based setting. An individual receiving
10 services in a crisis stabilization unit is a recipient of mental
11 health services under chapter 7 and is afforded all rights afforded
12 to a recipient of mental health services.

13 (2) Crisis services include clinical services as a short-term
14 alternative to inpatient psychiatric hospitalization provided by a
15 mental health professional under the supervision of a psychiatrist
16 in the least restrictive environment as determined by the mental
17 health professional. The primary objective of crisis services is
18 prompt assessment, stabilization, and determination of the
19 appropriate level of care. The main desired outcome of crisis
20 services is to avoid unnecessary hospitalization for an individual
21 whose crisis may resolve with time, observation, and treatment.

22 (3) A psychiatric hospital or general hospital may establish
23 and operate a crisis stabilization unit under this chapter. As used
24 in this subsection, "general hospital" means hospital as that term
25 is defined in section 20106 of the public health code, 1978 PA 368,
26 MCL 333.20106.

27 Sec. 972. The department shall establish minimum standards and
28 requirements for certifying a crisis stabilization unit. Standards
29 and requirements include, but are not limited to, the following:

1 (a) A standard requiring the capacity to carry out emergency
2 receiving and evaluating functions but not to the extent that
3 brings the crisis stabilization unit under the provisions of
4 section 1867 of the social security act, 42 USC 1395dd.

5 (b) Standards requiring implementation of voluntary and
6 involuntary admission consistent with section 409.

7 (c) A prohibition from holding itself out as a hospital or
8 from billing for hospital or inpatient services.

9 (d) Standards to prevent inappropriate referral between
10 entities of common ownership.

11 (e) Standards regarding maximum length of stay at a crisis
12 stabilization unit with discharge planning upon intake to a
13 clinically appropriate level of care consistent with section
14 409(7).

15 (f) Standards of billing for services rendered at a crisis
16 stabilization unit.

17 (g) Standards for reimbursement of services for uninsured
18 individuals, underinsured individuals, or both, and Medicaid
19 beneficiaries, including, but not limited to, formal agreements
20 with community mental health services programs or regional entities
21 for services provided to individuals utilizing public behavioral
22 health funds, outreach and enrollment for eligible health coverage,
23 annual rate setting, proper communication with payers, and methods
24 for resolving billing disputes between providers and payers.

25 (h) Physician oversight requirements.

26 (i) Nursing services.

27 (j) Staff to client ratios.

28 (k) Standards requiring a minimum amount of psychiatric
29 supervision of an individual receiving services in the crisis

1 stabilization unit that are consistent with the supervision
2 requirements applicable in a psychiatric hospital or psychiatric
3 unit setting.

4 (l) Standards requiring implementation and posting of
5 recipients' rights under chapter 7.

6 (m) Safety and emergency protocols.

7 (n) Pharmacy services.

8 (o) Standards addressing administration of medication.

9 (p) Standards for reporting to the department.

10 (q) Standards regarding a departmental complain process and
11 procedure affording patients the right to file complaints for
12 failure to provide services in accordance with required
13 certification standards. The complaint process and procedure must
14 be established and maintained by the department, must remain
15 separate and distinct from providers delivering services under this
16 chapter, and must not be a function delegated to a community mental
17 health services program or an entity under contract with a
18 community mental health services program. The complaint process
19 must provide for a system of appeals and administrative finality.

20 Sec. 973. Unless licensed under part 62 of the public health
21 code, 1978 PA 368, MCL 333.6230 to 333.6251, a crisis stabilization
22 unit that is not also a preadmission screening unit shall not
23 provide substance use disorder services described in chapter 2A
24 under this certification without first obtaining the required
25 license. If substance use disorder prevention services or substance
26 use disorder treatment and rehabilitation services, or both, are
27 provided, the crisis stabilization unit must obtain a license as
28 required under section 6233 of the public health code, 1978 PA 368,
29 MCL 333.6233.

1 Sec. 974. (1) An entity must not operate as a crisis
2 stabilization unit without having a certification issued under this
3 chapter.

4 (2) An application for certification to operate a crisis
5 stabilization unit must be submitted to the department in the
6 manner prescribed by the department.

7 Sec. 975. (1) The department must issue a certification to an
8 applicant who meets all the standards and requirements set forth by
9 the department for certifying a crisis stabilization unit.

10 (2) A certification issued under this chapter is not
11 transferable to another crisis stabilization unit for the purpose
12 of facilitating a change in location or a change in the governing
13 body.

14 Sec. 976. Each certified crisis stabilization unit must allow
15 an authorized department representative to enter upon and inspect
16 all of the premises for which a certification has been granted or
17 applied for under this chapter.

18 Sec. 977. (1) The department may deny an application for
19 certification under this chapter that does not meet all the
20 standards and requirements set forth by the department for a crisis
21 stabilization unit. The department may suspend or revoke a
22 certification that has been issued under this chapter if an
23 applicant or a certified crisis stabilization unit violates a
24 provision of this chapter or a standard or requirement set forth by
25 the department under this chapter.

26 (2) Before an order is entered denying a certification
27 application or suspending or revoking a certification previously
28 granted, the applicant or party with a certification must have an
29 opportunity for a hearing. A hearing under this section is subject

1 to the provisions governing a contested case under the
2 administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to
3 24.328.

4 Sec. 978. A crisis stabilization unit certified under this
5 chapter is exempt from the requirement of obtaining a certificate
6 of need.

7 Sec. 979. A crisis stabilization unit must obtain and maintain
8 accreditation from 1 of the following within 3 years after initial
9 certification or within 3 years after the effective date of the
10 amendatory act that added this chapter:

11 (a) Behavioral health care accreditation for crisis
12 stabilization from the Joint Commission on Accreditation of
13 Healthcare Organizations.

14 (b) Behavioral health accreditation for crisis stabilization
15 by the Commission on Accreditation of Rehabilitation Facilities,
16 CARF International.

17 (c) Accreditation from an organization with similar standards
18 as the organizations described in subdivisions (a) and (b) that is
19 approved by the director.
