Notice to officer: Complete this form when any chemical test is given.

Confiscate and destroy the arrested person's Michigan driver's license or permit, issue the third copy of this form, and destroy the second copy **if a chemical test revealed an unlawful alcohol content, or the presence of a controlled substance or other intoxicating substance or any combination. Unlawful alcohol content is:**

- 0.08 grams or more per 210 liters of breath while operating a motor vehicle, **or**
- 0.04 grams or more per 210 liters of breath while operating a commercial motor vehicle, **or**
- 0.02 grams or more per 210 liters of breath while operating a vehicle and less than 21 years of age.

When a voluntary blood or urine test is pending, or in special cases involving an unconscious person where a search warrant has been issued, attach the Michigan driver's license or permit to the second copy of this form and issue the third copy to the arrested person.

If a chemical test is refused, use the Officer's Report of Refusal to Submit to Chemical Test form (DI-93).

For all of the above, input arrest data into the LEIN F Breath Screen, even if the driver is licensed out of state. (Do not confiscate the out of state license.)

You were arrested for operating a vehicle with an unlawful alcohol content, or the presence of a controlled substance or other intoxicating substance, or any combination and submitted to a blood or urine test to determine your alcohol content, the presence of a controlled substance or other intoxicating substance, or any combination. The blood or urine sample was submitted to a testing laboratory. The results were received and show an alcohol content of _____, the presence of a controlled substance or other intoxicating substance, or any combination of _____.

- Your alcohol content, or the presence of a controlled substance or other intoxicating substance, or any combination was unlawful. The Temporary Driving Permit that was issued will be valid until the criminal charges against you are dismissed or you are acquitted, or your license or permit is suspended, restricted, or revoked for a conviction. [MCL 257.625g(3)]
- Your alcohol content, or the presence of a controlled substance or other intoxicating substance, or any combination does not require confiscation of your driver's license. Your license is being returned to you. Please see attached. This does not affect the criminal charges pending against you.

Notice to officer:

Use this form when a blood or urine test is given.

Attach driver's license or permit to this form until test results are received.

When results are received, complete the "Results Section" of this form and input results into LEIN Alcohol File (F Breath Screen).

If the alcohol content, or the presence of a controlled substance or other intoxicating substance, or any combination is unlawful, destroy the driver's license or permit and send this form to the driver. If the alcohol content, or the presence of a controlled substance or other intoxicating substance, or any combination does not require driver's license confiscation, return the driver's license or permit with this form.

After this form is completed, mail it to the arrested person.

Note: This copy can be discarded if a breath test was given.

CHEMICAL TEST RIGHTS

Read the rights that follow in their entirety.

I am requesting that you take a **chemical test** to check for alcohol and/or controlled substances or other intoxicating substances in your body. **IF YOU WERE ASKED TO TAKE OR TOOK A PRELIMINARY BREATH TEST BEFORE YOUR ARREST, YOU MUST STILL TAKE THE TEST I AM OFFERING YOU.**

If you refuse to take this chemical test, it will not be given without a court order, but I may seek to obtain such a court order. Your refusal to take this test shall result in the suspension of your operator's or chauffeur's license and vehicle group designation or operating privilege, and the addition of six points to your driving record.

After taking my chemical test, you have a right to demand that a person of your own choosing administer a breath, blood, or urine test. You will be given a **reasonable opportunity for such a test.** You are responsible for obtaining a chemical analysis of a test sample taken by a person of your own choosing.

The results of both chemical tests shall be admissible in a judicial proceeding, and will be considered with other admissible evidence in determining your innocence or guilt.

Will you take a: (Select the appropriate test from the following list)

Breath Test? or *Blood Test? or Urine Test?

*MCL 257.625c(2) provides that a person afflicted with hemophilia, diabetes, or a condition requiring the use of an anticoagulant shall not be considered to have given consent to the withdrawal of blood.
