Lansing, MI 48909-7536

Dear Chairman Nesbitt:

Please support your local beer and wine wholesalers by supporting House Bills 5341-5355. Michigan ranks 5th in the country in the total number of breweries. We are not lacking for choice and competition in the market. Overall, the industry is strong and growing.

Michigan beer and wine wholesalers are proud to partner with local breweries to help build these brands and provide Michigan consumers with a countless number of choices at bars, restaurants, and stores across the State.

House Bills 5341-5355 represent a compromise between Michigan beer and wine distributors and our local brewery partners that will allow the industry to continue to thrive now and into the future.

Regards,

Spencer Nevins
President
